LYRICS:

Verse I:

You left a mark inside of me
It'll take more than water to wash it
clean
Your wrongful words inside my head
That echo forever and ever there

Didn't notice 'til it was too late

PreChorus:

But now I'll always know
That it's a long fall from where we go

Chorus:

My heart breaks slow
Didn't even know
That it was broken in the first place
Didn't notice 'til it was too late

Verse II:

The flesh is worn in the same old place
With no nerves left to feel the pain
Hold a flame to my callous heart
It'll take more than fire to bleed apart

PreChorus:

But now I'll always know
That it's a long fall from where we go

Chorus:

My heart breaks slow
Didn't even know
That it was broken in the first place
Didn't notice 'til it was too late

Bridge:

Heart of gold turned black as stone
All of my light once white as bone
Has left me for some distant place
How will I ever find my way back from
dark?

Chorus:

My heart breaks slow
Didn't even know
That it was broken in the first place
