LYRICS:

Verse I:

Caroline, Caroline
You weren't the last thing on my mind
but you were close
A call in the night, so unpredictable
Brings this year to a close

To explain how or why

Chorus:

These things take some time
To understand
But it took you

Chorus:

And these things take some time
To understand
But then you fall, fall apart on me

Bridge:

So damn long to lament... (repeat)

Verse II:

We live in a city of borrowed hearts
And corrupted minds
You got yours from a veteran soldier
I don't know where I got mine

Verse I (Repeat):

Caroline, Caroline
You weren't the last thing on my mind
But you were close.

Chorus:

And these things take some time
To understand
But it took us so, so damn long
Oh boy...

Verse III:

Everything is far and long gone by
I stole that line
From a man much wiser than I
