**LYRICS:**

**Verse I:**

Don't want to be an island anymore  
 So tired of bridging these waters  
 Just to watch them burn down again  
 With no one to meet me at the other end

It's so rare that I am understood  
 Well, I cherish the ones who could  
 They chose to sail away  
 'Cause I'm not easy to love

**PreChorus:**

But this doesn't feel so new  
 I never felt like you

**Chorus:**

'Cause I walk alone (repeat)

**Verse II:**

My heart is worn like a prune  
 From soaking in such solitude  
 Every moment used to lead me to you  
 Now they lead away

**PreChorus:**

This doesn't feel so new  
 I never felt like you

**Chorus:**

'Cause I walk alone (repeat)

**Bridge:**

I'm no good if I can't love, if I can't  
 love  
 And I'm no good if I can't be alone  
 So I break my own heart (repeat)

**Verse III:**

Don't want to be a shadow anymore  
 Lingering behind closed doors  
 Following the light of another life  
 Was not my goal

**PreChorus:**

But this doesn't feel so new  
 I never felt like you

**Chorus:**

'Cause I walk alone (repeat)
