**LYRICS:**

**Verse I:**

Play with fire and you might get burned  
 But you are playing with the devil  
 So you're bound to get hurt, alright  
 But if that's alright, then alright

Can't hold a flame to her anyhow  
 If you're not sure what you're looking  
 for  
 It's best not to mess with a woman who  
 knows

**Verse II:**

To the marrow, she's as light as a feather  
 She doesn't feel a thing  
 Not even if you let her, alright  
 But if that's alright, then alright

**Verse IV:**

So if you just let this slide  
 Then you're telling her that it's alright,  
 right, right  
 To just lie, lie, lie... its all she needs  
 To keep you content in her fantasy  
 If that's alright, then alright  
 If that's alright then...  
 Go on and quench her thirst  
 You know its only getting hotter here on  
 planet earth  
 But if that's alright, then alright  
 The devil has done you right...

**Chorus:**

The truth don't seem so simple now  
 Can't hold a flame to her anyhow

**Verse III:**

She wants to be bad, she doesn't want to  
 be good  
 But she doesn't leave a victim  
 misunderstood  
 It isn't black and it isn't white  
 There are no red warnings and no  
 flashing lights  
 So don't you analyze...

**Chorus:**

The truth don't seem so simple now
